Everyone's Game Carnival 2017 Review

Basketball WA ran its final Everyone's Game Carnival for 2017 on 22 October. The participation numbers for 2017 have seen steady growth from 2016, with over 90 participants at each carnival. The total number of participants for the year was 374, which is an increase of 24% from 2016. BWA also saw an increase in teams participating in the events which was due to the member numbers in programs increasing as well as new basketball program participants signed up to the Carnival.

The event has also seen an increase in the number of female participants and this positive affect has resulted in WA sending a female team, for the first time in three years to the U20s Ivor Burge Australian Junior Championships in Gosford, New South Wales.

The final carnival saw its participants receive a BWA gift bag, which featured a Participation Certificate, BWA Cap, Be Active water bottle and a Stress Ball as an appreciation for their participation over the four events in 2017.

2017 saw the Rebacks ID basketball program grow from 12 members to 33!
