

SCORETABLE NEWSLETTER

November 2018 No.118

I would like to begin by thanking everyone for a job well done during the SBL and WABL seasons. WNBL and NBL are in full swing congratulations to those selected for those rosters. Just a reminder you must be level 2 in at least one position to be considered for WNBL and level 3 in at least one position to be considered for NBL. The NBL roster consists of 10 people with limited position rotation. The WNBL has about 20 people and is a prerequisite for anyone thinking of applying for NBL.

I hope everyone is getting ready for the Christmas and New Year period.

CONGRATULATIONS

The winner of the BWA Scoretable Official of the Year 2018 is Sharon Barrett. Here are a few words from Sharon about her journey:-.

“My involvement in basketball is attributed to my parents who were big supporters of the sport in both administration and refereeing side. I began as a player, and then took up refereeing and in 1991 my scoretable journey began. Our local team was the SW Slammers who played at Hay Park (SW Sports Centre) but are now located at the Eaton Recreation Centre.

I was a scoretable volunteer for the Goldfields Giants for 4 years when I moved to Kalgoorlie but the rest of the time has been with the SW Slammers. I have officiated in our local league and SBL, SBL Grand Finals, National Championships, WNBL and NBL.

I have been very fortunate in my journey in regards to the people I have met and worked with, the situations I have experienced, the highs and lows of the SW Slammers teams and just being involved and giving back to the sport I love.

Living in the South West and being a couple of hours away from Perth-where all the action is-I would like to thank Libby for her encouragement to reach higher levels and giving me the opportunities to officiate at WNBL games.

Finally I would like to thank my parents, Roy and Carole, who initially got me involved and have always encouraged me to pursue the next level. Thank You!”

FIBA APPOINTMENTS

The Commonwealth Games in Queensland was an exciting experience for our officials.

Peta Holmes and Emma Roberts were located in Cairns for the preliminary rounds and then moved to the Gold Coast for the finals.

Both were successful in getting medal games.
