**COVID19 UPDATE – BASKETBALL IN WA POST LOCKDOWN & REVISED NBL1 WEST ROUND 3 FIXTURES**

Dear Basketball WA Community,

As detailed in our announcement yesterday, several post lockdown transition requirements have directly impacted all our Associations and clubs. These restrictions are in place until 12:01 AM Saturday 1 May 2021.

We expect a further Government announcement on Friday and will then liaise with our stakeholders and Associations on the plans moving forward.

At this stage, we are hopeful basketball will resume normal operations on Saturday with no additional changes to our NBL1 West and WABL fixtures. We understand this is a frustrating time for many members and supporters; however, we will do our best to keep you updated as we learn more.

Our REVISED\* NBL1 West Fixture for Round 3 is below
