

PROTOCOLS

Everyone over the age of 12 must wear a mask when they enter the stadium. They may only take off their mask if they are:

- communicating with a person who is deaf or hard of hearing and visibility of the mouth is essential for communication.
- the nature of a person's work or the activity that they are engaging in means that clear enunciation or visibility of the mouth is essential.
- the person is running or jogging or otherwise engaged in some form of strenuous or vigorous exercise or physical activity.
- the person is consuming food, drink or medicine, provided that they are seated at the time and they are not in a vehicle.
- the person is asked to remove the face covering to ascertain identity.

This means that everyone wears a mask within the stadium at all times other than the following people when they are performing their duties:

- Players (in and out of the stadium)
- Referees
- Head Coach
- Commentator
- Court Announcer
- Statistician
- Spectators when they are eating or drinking at the time

People performing these tasks MUST however wear masks at all times when they are not performing their tasks. For example, a referee must wear their mask at all times prior to and after the game and only remove it while the game is in play. This includes putting their mask on at ¼ and ½ time breaks.

Please remember that it is a privilege for us to play this weekend that we have had to work hard for given the Health Officials reluctance to allow indoor gatherings so please take these guidelines seriously, it will only be for one week if we all do the right thing

Additional Protocols
