EXPRESSION OF INTEREST REGISTRATION FORM

<https://form.jotform.com/203068481357054>

The WABL Referee Development Program is aimed at officials who show potential to develop into elite level referees in the future. The program is designed to equip WABL officials with the understanding and skills to accelerate entry into the State Referee Development Program.

The program will run from February through to October in line with the WABL season and incorporate both on court coaching and off court development through in person and online training. Individual program duration may differ from one – three years depending on age and development throughout the program.

The WABL Referee Development Program facilitators will work with you to ensure that you are evaluated on games and given every opportunity to develop as an elite level referee through the WABL system. There will also be a series of monthly meetings over the course of the program that will run primarily on weekends. To maintain your position in the program it is expected that you attend at least 75% of these sessions*.

The WABL Referee Development Program will run in line with the Regional Referee Development Program and follow the same curriculum. The participants in the WABL Referee Development Program will have opportunities to attend development tours such as the Zebra Tour and Southern Cross Challenge.

To be considered for this program, referees should have refereed WABL in 2023 with the intention to referee WABL in 2024 as well as State and/or Country Championships. Exceptions may be made for regional officials who have recently moved to the Metropolitan area.

Part of the program will incorporate learning online through Facebook group messages and posts engaging all officials in learning through video review.

All applicants should make themselves available to referee WABL grading for their home association on the following dates: 9/10 March and 16/17 March and be nominated by their association for State Championships.

Upon conclusion of the calendar year we will arrange meetings with your facilitators to reflect on your development over the year and give you direction for the next year.

If you are interested in furthering your officiating and participating in the WABL Referee Development Program in 2024 please complete the expression of interest registration form no later than **5pm Friday 1st December 2023**

I look forward to working with you in your development as an elite official.

Daniel Coffey
BWA Officials Operations Officer
daniel.coffey@basketballwa.asn.au

* Exceptions will be made for school or University commitments.

Selection Criteria

Referees must be willing to undertake all components of this program which is designed to accelerate development alongside refereeing throughout the WABL season. The program is focused on officials who possess the maturity and desire to constructively participate in group and individual learning.

In selecting officials, the program coordinators and the High Performance selection panel may seek input from association referee coordinators and referee coaches to select the most suitable officials.

Selection will be based upon individual merit as well as group dynamics, taking into consideration your ability to work within a team environment. Candidate selection will be for the current year only, candidates may be appointed or removed during the year where considered appropriate.

Mandatory

- Currently accredited as a Level 1 Referee
- Actively supportive of Basketball WA competitions and policies, including:
 - Currently refereeing at a local association
 - Currently refereeing WABL and available for finals
 - Refereeing at the State Championships in appropriate age grade
- Demonstrate potential to progress as an elite level referee
- A strong desire to improve and develop as a referee
- A desire to help your peers improve in their officiating
- Ability to constructively participate in group and individual learning
- Commitment to the program including attendance to at least 75% of all sessions
- To work towards, and maintain, a sufficient level of fitness
- A good awareness of the requirements of the program
- Demonstrate the potential to progress to an elite level

Please note previous participation in Basketball WA Referee Development Programs does not guarantee selection in the State Referee Development Programs in 2024.
