- a) The Court Announcer is not a cheerleader, barracker, noise generator or game critique. The principal duties are to pass information to the crowd, encourage it, but not incite it. Modifiers, which imply critical analysis should be avoided, e.g. nice try, great block, super shot, etc. as an editorial description;
 - b) Any comment reflecting on the performance of the Referees, either positive or negative, is not allowed. Any criticism of the NBL1 WEST or its staff is not allowed. There are often timing and rule confusions that occur between the Referees and the score table, or between the Referees themselves resulting in game stoppage and consultation. The Court Announcer should be able to clarify these circumstances with the spectators after they have been resolved. This is an important function;
 - e) Acknowledgement of official NBL1 WEST sponsors and guests are a part of the Court Announcers duties. These announcements should be limited to pre-game, time out and quarter/half time breaks.
